View Dashboard

Last Modified on 02/26/2025 8:50 am EST

The Dashboard is found on the left menu in Jackrabbit Care. The Dashboard will look different for each team member based on their role and assigned classes. Owners and Administrators can use the Dashboard to see how many total children and team members are currently checked in, available openings, and financial information. Teachers and Timeclock roles can use the Dashboard to see class Details and Enter Class Mode.

- Tee Class Details for today's or tomorrow's classes.
- T Enter Class Mode to see the Roster, take Attendance, or send Messages.
- 😗 View financial information if you are an Owner or Administrator.

Expand/Collapse All

See how a Dashboard looks and its functions for each type of team member below:

Owners and Administrators
