Work with Teachers & Staff

There is no limit to the number of staff members that can be added to your Jackrabbit Care system. An Owner or Admin automatically has the permissions to add and manage staff as needed. After a staff member is added to the system, they will have the ability to self-serve and manage their own profile.

Expand/Collapse All

⊙ Add a New Team Member

⊙ Complete a New Profile

⊙ Archive a Team Member

⊙ Reinstate a Team Member

⊙ User-Based Permissions for Teachers & Staff

Help is just a few clicks away! Go to **Jackrabbit Care Support - Resource Center** to select the help option that works best for you.
