Jackrabbit Care is designed with you and your experience in mind. We give you the ability to find what you need and navigate quickly throughout the system to get your job done with the least amount of effort.

Depending on the role assigned to the staff member, the home page changes:

- **Owners/Administrators** - have similar access to the entire system with some minor setting exceptions.
- **Teachers** - personalized Dashboards are shown at sign in with class and student information.
- **Timeclock** - staff designated as timeclock users and assigned to classes have access to a personalized Dashboard.

Note: Team Members assigned to classes with the **Take Attendance User-based Permission** enabled will be able to take attendance in Class Mode.
