Last Modified on 12/09/2024 3:15 pm EST

There are multiple ways to enroll children into classes in Jackrabbit Care. Each option starts with a click on the main left menu. Then select one of the following: Enrollment, Family Accounts, or Programs & Classes.

Owners, Administrators, and Site Administrators all have the permissions to enroll, move, and drop children from classes. Before you begin enrolling, be sure you have the right site selected at the top of the page.
