Add a New Tuition Fee During Enrollment

When you **Enroll Children in Classes**, you can opt to add a tuition fee at that time or complete the enrollment without adding tuition to the Family Account. When you add a tuition fee, you can:

- Choose the amount you want to charge a family on a recurring basis.
- Apply tuition to multiple families at once, based on how many children you are enrolling.
- Apply one-time or recurring discounts to tuition amounts.

Add a Tuition Fee

In the *Tuition Fee* window, select **Yes, Add a Tuition Fee** The steps you take to add the tuition will vary depending on how many children you are enrolling and adding tuition for.
