CircleTime Mobile App at a Glance

The **CircleTime™ Mobile App** is an easy-to-use app for parents and contacts and is included with your Jackrabbit Care subscription. Once families enroll children and download the app, they can:

- Make payments and generate account statements.
- Register children for programs and include documents, policy agreements, and signatures.
- Receive and send messages to the childcare center.
- See their child's details, including contacts and allergy information.

After a parent/contact downloads the CircleTime mobile app from Google Play or the Apple App Store, they will see this icon on their phone. Just click the icon to open the app.
