

Process Payments with Jackrabbit Pay

Last Modified on 10/25/2024 9:59 am EDT

Jackrabbit Pay is an electronic **payment** processing system, referred to as ePayments, that allows you to accept credit cards, debit cards, and bank account/ACH payments from your families.

- ✦ Secure and cost-effective payment processing.
- ✦ Our specialized Jackrabbit Pay team is here to help you every step of the way.
- ✦ Seamless integration with Jackrabbit allows payments to be deposited into your bank faster!
- ✦ 100% rate transparency guaranteed!

If you are currently using ePayments, or thinking about starting to process credit card or ACH payment transactions for your childcare organization, select the right team to help you.
