

Jackrabbit Care Referral Credit Program

Last Modified on 09/11/2023 5:07 pm EDT

Introduce Jackrabbit Care to friends or business associates and earn account credits! All you have to do is refer a friend and you'll get a \$50 credit towards your next bill for every referral that signs up for service.

It's really simple! There are only two things to remember:

- **Share with other owners**- Share how much you love Jackrabbit Care with other childcare owners and let them know how much difference it will make in their business. You can do this in person at conferences, shows, industry events, or just over a cup of coffee.
- **Get identified** - As long as your referral puts your business name in the "How did you hear about Jackrabbit?" field on their Sign Up form, our Billing Department will apply a **\$50 credit to your account**.

More Great Reasons to Participate

Here are additional reasons why you may want to make referrals:

-  You can play a part in helping other facilities become better businesses.
 -  More growth for Jackrabbit Care means a stronger software partner for you.
 -  More ideas from more people mean additional enhancements and new features for the software.
 -  Broaden your network of fellow users who can share good ideas with you. If you haven't joined our Users Group on Facebook, join [here](#).
-
