

Jackrabbit Care Referral Credit Program

Last Modified on 10/15/2024 10:40 am EDT

Introduce Jackrabbit Care to friends or business associates and earn account credits! All you have to do is refer a friend and you'll get a **\$50 credit** towards your next bill for every referral that signs up for service.

It's really simple! There are only two things to remember:

- **Share with other owners**- Whether it's at industry events, through social media, or over a casual cup of coffee, share your love for Jackrabbit Care with other childcare owners and let them know how it can transform their business.
- **Get identified** - As long your referral includes your business name in the "How did you hear about Jackrabbit?" field on their [Sign Up form](#), our Billing Department will automatically apply a \$50 credit to your account.

More Great Reasons to Participate

Here are additional reasons why you may want to make referrals:

-  Play a part in helping other facilities become better businesses.
 -  Growing Jackrabbit Care means you'll gain a stronger software partner in return.
 -  Generate more ideas from more people, leading to additional enhancements and new features for the software.
 -  Broaden your network of fellow users who can share good ideas with you. If you haven't joined us on Facebook yet, join [here](#).
-
