

Add a Payment Method in the CircleTime Mobile App

Last Modified on 03/26/2024 12:08 pm EDT

If your organization accepts online ePayments through Jackrabbit Pay™ each contact is required to add their bank account and/or credit card information directly through their **CircleTime™ Mobile App**.

Privacy and security are maintained within the CircleTime mobile app.

Contacts must agree to the Terms & Conditions to have their online ePayments processed by your organization.

There is no limit to the number of bank accounts or cards that can be entered. However, one must be designated as the primary payment method.
