# Add Your Business Logo

As an Owner, you can customize Jackrabbit Care with your organization's logo. The business logo, once saved, will be visible in Jackrabbit Care, **Online Registration Forms** and emails sent during the registration process, the **CircleTime™ Mobile App**, and the **Kiosk**.

- **Jackrabbit Care** - My Business page (Settings (left menu) > Business Settings card > View Settings) and on invoices printed for Payers.
- **Online Registration** - The top banner at the link used for online registration and within emails sent throughout the registration process.
- **CircleTime Mobile App** - Messaging screen, the Billing screen when generating a statement, and the Accounts screen > My Center.
- **Kiosk** - On the sign-in page.

Add a Business Logo

1. Go to the **Settings** (left menu) > **Business Settings** card > **View Settings**.
2. Click the default image to open the *Business Logo* window.

3. **Choose a photo** (previously saved file) or drag a photo file into the window.
4. Click **Save**.
