When you want to get insights about your site performance, Jackrabbit Care **Analytics** provides Owners and Administrators with easy financial visuals and graphs. Go to **Reports** (left menu) > **Analytics** card, and click the**Finances** link to do the following:

- Visualize revenue changes over time.
- Compare billed fee totals such as tuition to one-time or recurring.
- See what payment methods and discount types are most popular.
- Total the overall balance due across your sites and see breakdowns per family.
- List all transactions and compare charges versus payments.
