

Jackrabbit Care Staff Mobile App

Last Modified on 05/09/2024 8:27 am EDT

Our **Jackrabbit Care Mobile App** is an easy-to-use staff app and is included with your monthly subscription to Jackrabbit Care. Once a user is set up in the Jackrabbit Care system and downloads the app, they can log in to the Jackrabbit Care mobile app and use great features such as:

- ✳ Access daily class schedules to stay organized.
- ✳ View an up-to-date list of children inclasses.
- ✳ Keep the lines of communication open with direct messaging to parents.

After a staff member downloads the Jackrabbit Care mobile app from Google Play or the Apple App Store, they will see this icon on their device. Just click the icon to open the app.
