

The Billing Profile

Last Modified on 10/25/2024 11:15 am EDT

The base of Jackrabbit Care billing is the Billing Profile which sets the parameters for when a bill is automatically sent and when it's due. Each Billing Profile in a Family Account carries its own balance with an assigned Payer. Fees, credits, and payments are all applied to a specific Billing Profile; the sum of all Billing Profile balances is the total balance for the family.
