

Invite Parents and Contacts to Download the CircleTime Mobile App

Last Modified on 10/25/2024 11:39 am EDT

A CircleTime™ Mobile App invitation can be sent once a contact is added to a family account, or multiple invitations can be sent to various contacts at any given time. There is no additional cost to invite families to join CircleTime, as it is already included in your monthly Jackrabbit Care subscription. Once parents and contacts are invited to join CircleTime and have downloaded the app, they can:

-  Use CircleTime from any Android or iOS mobile device, such as a phone or tablet.
-  Generate statements and also make payments if **Jackrabbit Pay** is enabled.
-  Register and enroll children for upcoming programs.
-  See updates about their child's day through photos, videos, and activity logs.
-  Quickly communicate with your childcare center through messaging.
